AMENDMENT AND RESPONSE

Dear Sirs;

In response to the office action mailed February 11, 2005, whose response is being made before May 11, 2005, kindly amend the claims to read as follows. Applicant has further enclosed a Terminal Disclaimer to overcome the rejection based on double patenting. Applicant has attached a fee transmittal form covering both the additional claims and the terminal disclaimer, and believes that no additional fee are due to have this paper entered and considered but, if any additional extension or fee is required, the Patent Office should consider this a conditional petition and the Patent Office is authorized to charge the proper fee to our Deposit Account No. 50-2916.
